Banderol by NutraMedix

DESCRIPTION

Banderol Microbial Defense is an herbal supplement containing Banderol bark extract.

Banderol comes from the bark of the Otoba sp. trees, which grow in Peru and other areas of South America. The bark has been used by native Peruvians for a variety of purposes.

The properties of banderol may make it beneficial for the support of the body's natural response to co-infections.*

FORMULA

Servings per container: 40

Serving Size: 30 drops

Otoba parvigolia bark Extract 1.5 mlFree)

Other ingredients: Mineral water, Ethanol (20-24%).

WARNINGS

Do not use if pregnant or nursing. Stop use if adverse reactions develop. Keep out of the reach of children.
