

# BURBUR DETOX

FOR RESOLVING TOXICITY OF LIVER, KIDNEYS, LYMPHATIC SYSTEM  
AND GROUND MATRIX (SPACE BETWEEN THE CELLS)

## PRODUCT DESCRIPTION

Burbur – Detox is an extract produced from the leaves of *Desmodium molliculum*, a perennial plant from South America. The herb in Burbur has been traditionally used for its body cleansing properties. It is very effective in aiding detoxification of the liver, kidneys, lymphatic system and the ground matrix. Burbur is commonly used in conjunction with antimicrobials produced by Nutramedix like Samento, Banderol and Cumanda. Many health care professionals have reported that Burbur can be used in place of 5 detoxification remedies. In many cases a significant healing crisis (Herxheimer's reaction) can be dramatically reduced or eliminated with the frequent use of Burbur, approximately every 10 minutes.

## RESEARCH

A 2005 study demonstrated that the administration of Burbur Detox after taking acetaminophen (an over-the-counter medication with the known side-effect of potentially causing severe liver damage) was capable of protecting the liver when administered in specific concentrations in laboratory tests using mice. *Allende, S, "Determination of the possible Hepatoprotector potential of the product Burbur Detox originating from NutraMedix LLC Laboratories, Jupiter, Florida, United States." Universidad de Guayaquil Department of Chemical Sciences, Final Report, 05/27/05*

## PATIENT REPORTS

"It helps so much with detoxification and herxing. Can't live without it."  
-P.W.

"Whenever my body and/or my mind feels run down, I make sure that I take Burbur. It reinvigorates me and allows me to think clearly to be able to do all the things on my to-do list."  
-M.M.

"It helps to remove toxins and makes me feel better physically."  
-K.A.

## SUGGESTED DOSAGE

General Detox Aid: Take 10 drops in 4 oz. of water 1-2 times daily.

Mild Toxicity: Take 10 drops 3-4 times daily. May be taken several times per day as needed.

Moderate to Severe Toxicity and Herxheimer Reaction (healing crisis): take 10 drops every 15 minutes in 2 oz. of water until symptoms are resolved. Can also put 2 droppers full (approximately 60 drops) in at least 16 oz. of water and sip over a 2-hour period, repeating until symptoms are resolved. EACH 10-DROP DOSE OF BURBUR CAN BE TAKEN WITH 10 DROPS OF PINELLA IN THE SAME WATER.

## Various Reported Medicinal Properties of Burbur:

Anti-allergenic  
Anti-anaphylactic  
Anti-asthmatic  
Anti-Inflammatory  
Antimicrobial

Antiparasitic  
Antitumor  
Antiviral  
Antimalarial  
Antispasmodic

Chronotropic  
Depurative  
Digestive  
Diuretic

Hepato-protector  
Immuno-modulator  
Inotropic  
Sedative
