

**Core Immune Support**

# MC-BAB-1™

This formula was designed to support immunity and promote tissue repair and healing.\* Research reveals that herbs within MC-BAB-1™, such as Red Clover have been shown to reduce inflammation, have antioxidative properties, and may be immunomodulatory.\* Clinical studies have shown Wormwood may be a powerful tool in aiding the body’s fight against various parasites and microorganisms.\* Nettle has been shown to contain properties that may support tissue repair and healing.\* MC-BAB-1™ may be used with other core immune support blends for maximum nutritional support.\* It is recommended to use the appropriate TOX-EASE™ formula to assist with detoxification while using the core immune support formulas.\*

## Suggested Use:

Start with 2 drops, 2 times daily. Gradually increase drops until desired results are achieved. *For gentler effect, begin with 1 drop, 1 time daily.* On average, you may be able to gradually add 1 drop per dose per week. You may be able to add a third dose per day for greater results. Dosage does not usually exceed 25–28 drops, 2–3 times per day.

**WARNING:** If pregnant, nursing, or taking medications, consult your healthcare professional before use.
