

Preventive Medicine

Samento by NutraMedix

DESCRIPTION

Samento works as a natural anti-microbial. The solution is derived from a powerful medicinal plant, Cat's Claw (*Uncaria tomentosa*). It can act as an anti-inflammatory, antimicrobial and immune system modulator.* Also, Samento can be used with all autoimmune disorders.*

FORMULA

Serving Size: 30 drops
Samento bark extract 1.5 ml *
(*Uncaria tomentosa* – pentacyclic chemotype – TOA Free)
Other ingredients: Mineral water, Ethanol (20-24%).

SIDE EFFECTS

There are no known contraindications, no known side effects and no known interactions with other drugs using Samento.

WARNINGS

Do not use if pregnant or nursing. Stop use if adverse reactions develop. Keep out of the reach of children.
