Beyond Balance MC-BAB-2™

MC-BAB-2™ has been formulated to offer support to the immune system's natural ability to fight microorganisms.* Studies support that herbs such as Burdock root, Motherwort, and Blessed Thistle may aid in inhibiting various microorganisms.* Burdock root has also been shown to contain active compounds assisting in the detoxification of the blood.* Research reveals Barberry and Plantain leaf have been effective in aiding the body in reducing inflammation.* Additionally, Plantain leaf has been shown to contain vermifuge properties.* Blessed Thistle and Barberry have a long history in traditional medicine to support the liver and may possess immunomodulating properties.* Studies show Plantain leaf may also contain constituents that help tissue repair and healing.*

** These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.*

Suggested Use: Start with 2 drops, 2 times daily. Gradually increase drops until desired results are achieved. *For a gentler effect, begin with 1 drop, 2 times daily.* On average, you may be able to gradually add 1 drop per dose per week. You may be able to add a third dose per day for greater results. Dosage does not usually exceed 15–18 drops, 2–3 times per day.
