

PINELLA BRAIN-NERVE CLEANSE

FOR RESOLVING BRAIN AND SPINAL CORD TOXICITY

PRODUCT DESCRIPTION

Pinella – Brain-Nerve Cleanse is an herbal extract made from *Pimpinella anisum*. It has been used by indigenous groups for hundreds of years. Pinella is an integral component of a Lyme disease protocol developed by William Lee Cowden, MD. Dr. Cowden and other health care professionals report that it is very effective in eliminating both man-made toxins and biotoxins from the brain, the spinal cord and peripheral nerves. Both patients and health care professionals also report that many times there is a significant reduction in brain fog, even after only one dose.

RESEARCH

Research indicates anticonvulsant and neuroprotective effects of anise oil, likely by inhibition of synaptic plasticity. *Karimzadeh, F, "Anticonvulsant and neuroprotective effects of Pimpinella anisum in rat brain." BMC Complement Altern Med. 2012 Jun 18;12:76. doi: 10.1186/1472-6882-12-76.*

Three hidroalcoholic extracts which inhibited acetylcholine-induced contraction were tested for activity in rat ano-coccygeus smooth muscle. The relaxant action displayed by Pimpinella anisum justifies its use in folk medicine as an antispasmodic agent. *Tirapelli, CR, "Antispasmodic and relaxant effects of the hidroalcoholic extract of Pimpinella anisum (Apiaceae) on rat anococcygeus smooth muscle." J Ethnopharmacol. 2007 Mar 1;110(1):23-9. Epub 2006 Sep 6.*

PATIENT REPORTS

"The Pinella has helped some of my worst symptoms: head pressure, headaches, and brain fog."
-L.Y.

"This is the best herb I have taken for clearing "brain fog." I could feel immediate effects as soon as I began taking it!"
-K.F.

"This has worked wonders for me. I am now able to bring up words faster and it has improved my sleep."
-J.M.

SUGGESTED DOSAGE

General Detox Aid: Take 10 drops in 4 oz. of water 1-2 times daily.

Mild Toxicity, Brain Fog: Take 10 drops 3-4 times daily. May be taken several times per day as needed.

Moderate to Severe Toxicity, Herxheimer Reaction (healing crisis): take 10 drops every 10-15 minutes in 2 oz. of water until symptoms are resolved. Can also put 2 droppers full (approximately 60 drops) in at least 16 oz. of water and sip over a 2-hour period, repeating until symptoms are resolved. Note: This product should be used with 10 drops of Burbur or Parsley for more complete elimination of toxins (in the same water).

Various Reported Medicinal Properties of Pinella:

Analgesic	Antioxidant	Disinfectant	Menopausal hot flashes
Anodyne	Antiviral	Diuretic	Muscle Relaxant
Antibacterial	Aphrodisiac	Dysmenorrhea	Nervine
Anticonvulsant	Aromatic	Galactagogue	Stimulant
Antifungal	Carminative	Hypoglycemic	Sudorific
Antimicrobial	Diaphoretic	Hypolipidemic
